Subject: Army Creek Landfill - Responses to Comments from EPA's OASQA
Attachments: 180107_Memo for ACL Response to Comments of Work Plan and SAP_AG_ERG (002).pdf

Mike and Mike,

EPA's Office of Analytical Services and Quality Assurance (OASQA) has reviewed ACPS and NCC responses to OASQA's comments 1 – 14 on the Army Creek Landfill Work Plan for Additional Investigation. Comments 11 and 12 have not been addressed to EPA's satisfaction as discussed in the attached memo. EPA is continuing to review the remaining responses to comments and expects to have comments to you before our July 25 teleconference.

Theresa,

Please share the attached memo with the DS&G Remedial Trust since OASQA's concerns are pertinent to the PDI Work Plan under development for that site.

Thank you.

Debbie
